EXPERIENCE

Founding Frontend Engineer @GyanGrove Stealth Startup

October 2024 - Present

- **Transitioned** from Founding Frontend Intern to Full-Time Engineer in October 2024, contributing to **both web and mobile platforms**.
- Developed and maintained the company's responsive web app and corporate website using **Next.js**, including designing high-performing landing pages and **enhancing SEO**.
- **Led the implementation** of new features and **complex UI components**, improving the **scalability and functionality** of both the web app and mobile application.
- **Streamlined development workflows** by introducing reusable components and optimizing existing codebases for **performance and maintainability**.

Founding Frontend Intern @GyanGrove Stealth Startup

April 2024 - October 2024

- **Developed and implemented** the user interface for a cross-platform educational app using **React Native and Expo**, ensuring compatibility across both **iOS and Android devices**.
- **Collaborated closely** with the **product manager** and **UI/UX designer** to create user-friendly, intuitive, and visually appealing interfaces that meet user needs and project specifications.
- **Contributed significantly** as the founding frontend intern since April, playing a key role in the **startup's early development and product iteration processes**.
- **Enhanced app functionality and performance** through rigorous **testing, debugging**, and **optimization**, leading to a smoother and more responsive user experience.

PROJECTS

SketchStream.io | *React, Next.js, TypeScript, Tailwind CSS, Shadcn UI, Convex, Kinde Auth*

February. 2024

- Developed SketchStream.io, a collaborative platform like **Eraser.io**.
- Utilized **Next.js, React.js, Tailwind CSS**, and **TypeScript** for dynamic frontend to enable **real-time document editing and whiteboard drawing**.
- Integrated **Convex database** for efficient data storage and retrieval.
- Implemented **SaaS model with free and paid tiers**, offering **50+ document** and **30+ whiteboard features**.
